

# Residential Construction Training Program - Starts April 21st

South Puget Sound Community College (SPSCC) is excited to launch a Residential Construction Training Program to meet the growing demand for skilled workers in our community. This program is your gateway to a rewarding career in the in-demand construction industry.

## Program Highlights:

- Home Builders Institute's Industry-Certified Curriculum.
- Hands-On Learning: Blend of lectures and practical skills development.

## Key Topics Covered:

- Safety protocols
- Construction math
- Green building concepts
- Carpentry skill development

## Scholarships Available

Scholarships are available for those looking to immediately enter the workforce. If not, please contact us for the cost. This program is made possible through the generous support of:

- United Way of Thurston County
- Olympia Master Builders
- Building Industry Association of Washington (BIAW)

## Class Details

- Dates: April 21-June 30, 2025
- Days: Monday-Thursdays
- Times: 8:00am-2:30pm
- Location: SPSCC Lacey Campus  
Room 173

## Job Requirements

To be eligible for hire in this industry participants must have the following:

- Washington State Driver's license and reliable transportation.
- Ability to lift 60 lbs.
- Willingness to climb ladders and work at heights.

## Registration Information

First step is to meet with Christina Chesnut [cchesnut@thurstonchamber.com](mailto:cchesnut@thurstonchamber.com) to determine what funding you are eligible for after that we will register you for the class with SPSCC.
